Falls Township Community Park

The dorm students went to the Falls Township Community Park located in Pennsylvania. The students were excited because it's been a while since they did a good workout. There were reeds, trees, and a lake. Fortunately, it was good to take a walk because the weather was nice. The students talked to each other, took pictures, and walked around. The students liked the park because it was a place where students could relax. The students made another memorable memory.

Birthday Party

The dorm students celebrated Rian Lee, Jiwoo Son and Jiwoo Kim's birthday. Dorm students had steak for dinner and celebrated their birthday. They sang happy birthday song and made wishes. The students wrote letters and handed them to each other with a small gift. The students all enjoyed celebrating their birthdays. Let's all hope the students' wishes come true !

PEDDLER'S VILLAGE

Conwell-Egan dorm students visited Peddler's Village in New Hope.

The old fashioned village has unique shops and restaurants. Especially, they have so many cute stores to browse through. The village is also a great place at Christmas time, since the lights are very beautifully decorated and there's a wonderful sense of Christmas spirit there. They were so fascinated by all the spectacular lights.

At dusk, all of Peddler's Village was lit up with Christmas lights and it was very festive and pretty. The students enjoyed walking around looking at the lights and checking out the stores. It was a nice walk through an old-fashioned Christmas. The students took some pictures together in front of the enormous Christmas tree. It was a very enjoyable experience!

Dormitory Activity

Making a Christmas Tree

Christmas, December 25th, is the annual holiday to celebrate Jesus Christ's birth. It is the most beloved holiday in the United States. People in the U.S. usually decorate their house and make a Christmas tree on the day after Thanksgiving day.

On December 4th, the dorm students gathered together at the hall and decorated their Christmas trees with colorful lights and ornaments. The trees brightened the hall with a joyful atmosphere of the Christmas season.

Christmas Party

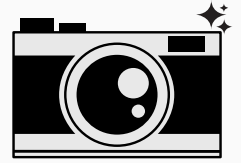

On December 21st, the dorm students and employees celebrated Christmas together. They had a finger food feast. They then gathered in the hall and learned about the history of Christmas.

A White Elephant

A *White Elephant Gift Exchange* is a popular Christmas event where people vie to walk away with the best present. The dorm students and staffs had prepared presents secretly and put them under the Christmas tree. On the day of the event, they took turns to pick the presents and opened them.
