LOCAL ACTIVITY

We experienced a fun-filled day at Top Golf Course in Philadelphia for this month's local activities. Against the city's skyline backdrop, Top Golf's state-of-the-art technology and food made way for a great weekend cooling off. Students played golf in the cool breeze under the blue sky, ate delicious food, and made unforgettable memories with their friends. A good getaway activity was exactly what we all needed; going out to Top Golf not only enhanced our study abroad experience, it also made us grow closer together as friends!

WHAT IS HAPPENING AT CEC

SHERLOCK HOLMES PLAY

The CEC Drama Club recently used its talents and theatrical skills, bringing the iconic detective Sherlock Holmes to life on stage. The performance, which took place on November 17 and 18, saw our talented classmates take on the foggy streets of Victorian London. Under the skillful direction of Mr. Persson, the cast portrayed the play amazingly. The attention to detail was evident in the set design and costumes.

It was clear how much heart and thought was put into the play. The play left the audience eagerly anticipating future performances by talented drama enthusiasts. Lastly, let's not forget the Stage Crew; it would have been impossible without them!

FRIENDSGIVING

On November 16, in light of celebrating the classic American holiday, Thanksgiving, the CEC DLFF hosted a Welcome Friendsgiving Event designed specifically for international students to experience what a Thanksgiving feast would look like! The event, complete with classic Thanksgiving meals, gave the international students a feeling of home and camaraderie. A special thanks to everyone involved in making the event possible; we enjoyed every second of it!
