College Tour: Drexel & Temple

Our dorm students visited Temple University and Drexel University in Philadelphia, PA, for this month's college tour. Temple is among the world's largest providers of professional education (law, medicine, podiatry, pharmacy, dentistry, engineering, and architecture), preparing the largest body of experienced practitioners in Pennsylvania. As one of the nation's leading R1 research institutions, Drexel is focused on developing groundbreaking concepts and ideas, discovering new ways to apply interdisciplinary thinking, and collaborating with global partners to deliver impactful solutions that address tomorrow's problems. Since both schools were near Philadelphia city, it was nice for students to walk around.

Local Activity: Six Flags's Great Adventure

The dorm students visited the Six Flags in New Jersey for the local activities. Students enjoyed riding different kinds of rides such as Jersey Devil Coaster, El Toro, Kingda Ka, and Bumper cars. They also enjoyed going to all sorts of stores in the park and spent time walking around the park, looking around. Even though it was raining a bit, it was an excellent time for everyone to go to the amusement park.

School Activities: CEC Food Truck Festival

Congratulations on your graduation!

***Have a
great
summer!***
