J-1 Exchange Student Program

Welcome Spring Students

Stellar, Francesco, Alice, Maria, & Daisy all arrived for the spring semester to the United States welcomed by their loving and excited host families.

Eva Albert enjoys the holiday spirit!

Denis enjoying the holidays.

Xabier & matching family pajamas!

Joan & his friends hang with Santa!

Cristina helps decorate the tree

HAPPY HOLIDAYS!

Students spent the holiday season with their host families. They experienced many American traditions and customs.

Fun In the Snow

Sofia & friends hit the slopes!

Celia with her friends!

Francesco braves the ice!

Cristina goes snow tubing!

Judith enjoying a break from the slopes.

Ines goes skiing with friends!

Athletics

Many of our students have joined clubs and athletics at their high schools. Sofia joined cheer and she plays hockey, Paula is on the swim team, and Xabier loves playing basketball.

Sporting Events

Many of our students were able to experience professional sporting events including American football and basketball—two sports that generate the most interest. Abril went to a Pitt University football game, Denis went to an Atlanta Falcons game, Leire went to see the Kansas City Chiefs, and Maria Sola went to a Denver Nuggets basketball game.

Furry Friends!

Some would say there is no home without a loving pet to happily greet you.

Carolina, Leire, Maria, Raquel, and Subin are certainly enjoying their fur-siblings!

MORE OF OUR FAVORITE PICTURES!

Bomhee and Carme in NYC, Times Square!

F1 Day School Program

AnB Education F1 Day School Program offers international students the opportunity to experience American culture under high-quality education through attending private and public schools and living with local host families.

We provide information about schools throughout the United States. Private schools have many advantages: smaller classes, a variety of AP (advanced placement) classes, Honors classes, low staff turnover rates, good sports/music programs, and more!

AnB is offering scholarships from \$1,000—\$15,000 depending on the school. The deadline is April 29th 2022.

CONWELL-EGAN
CATHOLIC HIGH SCHOOL

FI Boarding School Program

For students interested in applying to boarding schools in the U.S., we offer a total solution program. Our Boarding School Program consists of assessing the applicant, searching for the right school, assisting with applications, and managing the student after the acceptance and while attending school.

We offer a number of schools to choose from including Conwell-Egan Catholic High School (CEC) in Fairless Hills, Pennsylvania where AnB Education runs the dormitory.

"...Indeed, AnB is a genuine family which offers me education and an infinite amount of care. With AnB, I am no longer alone, no longer incompetent, and no longer lost in this distant country..."

From Ben Ju (Kangwondo, Korea) - 4th year with AnB Education

"...Personally, AnB is just like a big family to me. Whenever I feel lonely or strange being with Americans, or uncomfortable in the environment, I just contact my local coordinator, Tammy, or I go to their office because I am sure they are there and they will help me..."

From Xuedi Wang (Beijing, China) - 2nd year with AnB Education
